

Crazy Love – Hugs and Kisses
Peggy Martin, Instructor
www.peggymartinquilts.com

Fall in love with this no-rules strip technique as you create crazy X's and O's (hugs and kisses) with jelly rolls, strips from your stash, or leftovers from other projects.

Piece your strips across the blocks in a random, crazy fashion as in the quilt shown above left, or keep strips parallel as in the quilt shown on the right.

Note: *Sewing machines, irons and ironing boards will be provided in class* (do not bring your own)

Fabric supplies:

At least ½ yard muslin or other light-colored fabric for foundations

Bring a variety of fabric strips in lights, mediums and darks, measuring at least 1- 1/2" wide to 3" wide. Include some strips at least 12" long. Leftover jelly roll strips, shorter strips, fat quarters, triangles and odd shapes can also be used.

Other Supplies:

Rotary cutter, mat and ruler

Fabric scissors

5 sheets of white paper for border foundations

Small paper bag for trash
