Sinuuous curves are produced with straight-line piecing in these easy off-center log cabin blocks. The settings and design possibilities are endless! Go scrappy with your light and dark fabrics, or choose as few as two fabrics, a light and a dark to create your quilt. Choose from two block sizes, 5 ½” finished blocks, great for wall quilts or baby quilts, or 8 ¼” finished blocks for lap or bed-sized quilts.

Supplies:

Sewing machine with 1/4” foot or 1/4” seam guide

Rotary cutter, mat and ruler

Scissors, fabric and paper

Neutral-color thread, seam ripper, pins and basic sewing supplies

Iron and ironing surface (these can be shared, so not necessary for everyone to bring)

Optional, if space permits: piece of flannel or batting to hang up as a design wall

Fabrics:

	<u>Wall Quilt</u>	<u>Lap Quilt</u>	<u>Full/Queen Bed Quilt</u>
Block Size:	5 ½”	8 ¼”	8 ¼”
Number of blocks:	36 (6 x 6)	42 (6 x 7)	100 (10 x 10)
Quilt size before borders:	33” x 33”	49.5” x 57.75”	82.5” x 82.5”
Light fabric(s):	1 yard	2 yards	4 ½ yards
Dark fabric(s):	1 yard	2 yards	4 ½ yards
Extra fabrics for borders, backing and binding, for later finishing (not needed for class)			

Cutting: *All strips are cut from selvage to selvage, about 40” long.* You will not finish your top in class, but should get several blocks done. I recommend cutting ahead of time at least 6 of the wide strips and 4 of the narrow strips of both lights and darks to allow for more sewing time in class. Bring along your fabrics in case you have time to cut and sew more blocks.
